<b>Fine (F2) [All Transparent]:</b>	<b>Medium (F3):</b>
- Cherry Red	- Clear
- Orange	
- Yellow	
- Lime Green	
- Sky Blue	
- Light Purple	

## Placement Order:

**Around Post:** Cherry Red

**Just Below Post:** Orange

**Proceeding to the Bottom:** Yellow, then Lime Green, then Sky Blue, then Light Purple

## Instructions:

Each band of color is roughly 0.75" wide and approximately 1/4" deep.

Begin filling the post area with Cherry Red. Following the image provided, proceed downward in the color order stated above. As you change colors, make sure to blend them slightly with one another to create the gradient effect seen above.

Stick to the triangular areas, and brush away any frit that would cover the textural ridges.

Fill the remainder of the mold with the Medium Clear to its final fill weight of 105g, and fire to a **Full Fuse**.
